CUSTOMIZABLE

RELUCTANT TO INSTALL UNSIGHTLY SNOW GUARDS ON YOUR BEAUTIFUL NEW ROOF?

We get that. As roofers, we don't like defacing our residential roofs with industrial-type snow guards either. We believe homeowners should not have to choose between functionality and aesthetics. That's why we created Grandura.

FINALLY, A SNOW GUARD THAT PERFORMS WELL AND LOOKS GREAT AT THE SAME TIME.

- Durable product with outstanding performance
- 40+ colors to complement, blend in, or stand out
- Multiple attractive standard shapes
- Custom designs for any style

Protect your gutters and landscape while enjoying a distinctive, stylish roof.
